

## **PCS Insurance**

I confirm and undertake that there is in force at this date a valid policy of insurance in respect of aviation Hull and Liability risks meeting EC regulation 785/2004 on a combined single limit basis to embrace third party and passenger liability risks. My policy extends to include participation in the Pilot Coaching Scheme for the duration of the course and the pilot warranty includes any authorised LAA coach having a minimum of 1,500 hours P1 experience logged.

- \* I do not have aircraft Hull insurance having agreed to accept this risk myself. I fully understand the implications of the enclosed indemnity form I have signed in this respect.
  
- \* This sentence to be deleted if Hull risks cover in force.
