## **About Your Coach**

**Paul Crispin  
LAA Coach**

---

Paul Crispin trained initially at Kenley as a cadet on gliders, then completed PPL at HSA Chester on the TigerMoth. In parallel to a career in aero engineering and manufacturing systems, gained his instructor rating in the mid '70s and since then concentrated on the lighter end of aviation with emphasis on vintage, Classic and aerobatic flying.

Retired in '07 to switch to fullish time as CFI and PPL examiner at Hawarden, and also as LAA coach for a number of years, helping and getting to know those wishing to operate tailwheel and LAA style aeroplanes in the north Wales, Cheshire and Shropshire areas.
