

# WHERE TO GO

The calendar has filled out significantly over the last few weeks and most of the regular events are featured. For additional information on the events, go to the Royal Aero Club events pages at <http://events.royalaeroclub.org/events.htm> where you will find plenty of web links.

If you are involved in planning an event and wish to have it

included in the listings, then send the relevant details to [dave.wise@btinternet.com](mailto:dave.wise@btinternet.com)

For details of the winter's GASCo Safety Evenings go to [www.gasco.org.uk/safety-evenings.aspx](http://www.gasco.org.uk/safety-evenings.aspx) for the full details of each venue. As a general rule, everybody is welcome to attend these events and they usually start at around 7:30 in the evening.
