

About Your LAA Coach

Archie Alerdice

Born on a Co. Armagh farm in 1937. Served an apprenticeship to auto sheet metal and still making bits for vintage cars. Learned to fly in 1963 and owned the following aircraft since: Luton Minor, Aeronca Champ, PA 18-95 Super Cub, Auster Autocrat, Aeronca Sedan, Luscombe Silvare and 4 Jodel 1050's.

I am fortunate to have a 475 metre grass strip at my home where I have hangarage for 6 planes and a 375 strip at my son's home, 25 miles away, no hangarage yet. I have accumulated about 4500 hrs flying. I am an elder and Sunday school teacher in my local church and Joan and I have 3 children and 5 grandchildren.

Based at Aughrim Airfield but willing to fly to a more convenient field. CRI only.
