

About Your Coach

Ray Harper

FI for SEP

An ex RN flying instructor, experienced on a wide variety of aircraft from helicopters to Harriers to 747s.

I have built or renovated a number of LAA types including an RV6 (the first in the UK), an RV8, Murphy Rebel, Glastar, EAA biplane, and an Ercoupe.

I am an engineering inspector for the LAA, based on a strip at TA10 9DF (near Langport, Somerset) and am happy to fly to most sites in the South West.
