

About Your Coach

Alan Kilbride

I started aviation with Gliding in the late 80's for a couple of years before participating in various sports ranging from Land Yachting, Auto Grass racing and Sailing before returning to flying in 2007.

I am a CRI/pilot coach owning my Jodel for the last 12 years. I can offer Revalidations, Tailwheel, Retractable, CS, EFIS etc, difference training, Renewal training and NPPL(m) to NPPL (SSEA) upgrades. Strip flying and Sea and border crossing diplomas are a firm favourite of mine. I am willing to travel within the Yorkshire area and if anyone has a problem gaining access to coaching, am able to travel a little further.

I am able through the LAA Remunerated use scheme to use my Jodel for Differences training, revalidations, Strip Flying diplomas, etc. Give me a call if only for a bit of a chat to keep you up to date with the constant changes.
