

# About your Coach

## Barry Webb

Flying light aircraft since 1980, with a passion for the Jodel from D9 upwards, flown from many interesting grass strips and enjoy sharing my passion in strip evaluation and safe use.

CRI with revalidation authorisation.

Difference training on many types of light single (SEP) and Microlight aircraft.

Training experience on licence upgrades from Microlight to SEP, European touring, planning and expectation reality.

LAA and BMAA inspector.
