

CAA APPROVED WELDERS

The following is a list of CAA approved welders who have made their details known to LAA. Welding approval is subject to a CAA annual renewal and it is possible that some individuals on the list are no longer approved. It is the responsibility of the user to check the validity of such approvals.

Inclusion on the list does not imply any recommendation by LAA. For information about how to become a CAA approved welder, refer to BCAR chapter A8-10 (CAP 553) on the CAA website.

If you would like your details to be added, amended or removed from the list then please contact **LAA Engineering Tel 01280 846786 or email: engineering@laa.uk.com**
